

2010 WARREN COUNTY FAMILY HEALTH FAIR INVITATION

Dear Sir or Madam,

The Warren County Public Health Advisory Committee is pleased to announce the **2010 Warren County Family Health Fair**. This event has been scheduled for **Saturday March 27, 2010** at the **Wright City R-II High School Gymnasium**. The time will be from **8:30am to 12:30pm**. We would like to invite you to participate.

Our goal for this event is to increase health and safety awareness in our community. This shall be accomplished by providing educational information, materials, health screenings, activities, demonstrations, and an opportunity to become familiar with area health care providers, community resources and healthy alternatives.

Even with cold continuous rain last year's Family Health Fair was a huge success, estimates of community attendance were as high as 800 people. Approximately 76 exhibitors were in attendance representing their exhibits, companies, products, services or organizations.

We have approximately 80 table spaces available and expect to fill them quickly so, if you would like to participate in this outstanding community event by hosting a booth or making a financial contribution please return the enclosed exhibitor registration form as soon as possible. Space and electric is limited, reservations will be made on a first come basis with priority to exhibits conducting health screenings.

Exhibitor fees are \$20.00 per table with a \$10.00 deposit per table (fees and deposits must be on separate checks and payable to "Health Fair Planning Committee"). The deposit check will be returned as long as the exhibit remains active through 12:30pm. If you are unable to attend the event you can have your information displayed on a table for a \$10.00 fee, just complete the registration form submit payment and send in your information. Exhibitor table fees and deposits are not required of non-profit/government organizations.

Please remember school policy does not allow the selling of merchandise. Donations and fees will help cover the costs of advertising, health screenings, and other necessities.

Please feel free to contact me with your questions or concerns.

Sincerely,
Andrew Hoffman
