

Warren County Health Department Community Safety Survey

Dear Family,

The *Warren County Health Department* is planning future safety educational programs for our community. We're looking for input from families like yours to identify additional safety education activities. Please complete this survey and return it the Warren County Health Department (104 W. Booneslick Road Ste. H, Warrenton, MO 63383 or by fax 636-456-4966) by August 31, 2009. A drawing will be held from all surveys returned for a **\$25 Wal-Mart gift card**. Please provide your address and phone number so we may contact you should you win a gift card. Thank you for your participation.
